

PHARMACISTS

- ✓ DIVERSE SPECIALIZATION
- ✓ PATIENT ROUNDS
- ✓ PRESCRIPTIVE AUTHORITY
- ✓ PRECEPTOR OPPORTUNITIES
- ✓ EXECUTIVE-LEVEL POSITIONS

Explore Your Options

As a VA clinical pharmacist, you can be at the bedside as part of an interdisciplinary care team, obtain prescriptive authority, run a medication management clinic, conduct research, train pharmacy residents, pursue management positions, and more. Join VA and advance your career better than anywhere in the private sector. You'll earn a competitive salary and enjoy robust Federal benefits and incentives.

- 13 to 26 days annual paid vacation
- 13 sick days and 10 holidays
- Flexible scheduling
- 15 days annual military leave for active Reservists and National Guard members
- One license/50 states
- Stable health and retirement benefits
- Exceptional education support opportunities (subject to funding availability)
